

# 10 STEPS FOA Great Open House

Considering an open house? Here's a list that will help!

Take away anything that could be objectionable (religious items, taxidermy, etc...)

Set the tone with relaxing music

Lock away anything valuable

Have a sign-in list to follow up on all visitors

Make sure to notify neighbors who may have friends wanting to move the area.

Have flyers ready so guests can have information to take with them

Clean up the house. make it look new. Put away dishes and laundry

Get a second opinion on odors and get rid of them.

Make sure the lawn is freshly cut and inviting.

Finish any undone projects like wood rot, exposed wires, etc.
